# Flathead Reunion 2025 September 4 - 6

Our hosts this year will be Steve and Andrea Cook. They have always lived in the area. Steve farms and has business interests in St Clair. Steve and Andrea are local Route 66 historians, so we are in good hands.

**Wednesday:** We currently are considering three pre-event activities. (1) Grant's Farm, which is where the Budweiser Clydesdales are stabled. There are several other things to see and do there. (2) Purina Farms, where there are trained dog shows, and many other activities. It is fun, but kind of catering to younger visitors. (3) Meramec Caverns, yes, it is a cave and so much more. There is walking involved, and the difficult parts can easily be avoided. The Jessie James gang used it as a hide-out.

**Thursday:** The ladies bus trip leaves the hotel at 9:00 heading to Hermann with lots of shops to visit and a lunch is planned at a local winery.

Meanwhile, there will be a seminar at the host hotel where the cars are the stars.

When the bus returns there will be a chapter meeting. There is not a group meal planned.

**Friday:** Time to take the cars out for a spin. We'll head west on old Route 66 to Cuba Missouri to view buildings decorated with great murals. There were 15 when we went there but there is talk of adding more. Next stop is a local landmark, the Missouri Hick Barbeque for lunch. Great food!

For those interested there is a winery close by we can visit before heading back to town.

An Ice Cream stop is possible once we return to St. Clair.

**Saturday:** It is show time. We will be in a park two blocks from the host hotel. There is a food truck laid on for lunch.

That evening we will be going to the Knights of Columbus hall to enjoy a catered meal and of course, awards will be presented. The meal arrangements are not finalized at this time, but they will be.

Naturally the schedule is subject to change. See you there!!!
